

Rider Creek Trail

A Safer Hike

Project made possible through the Secure Rural Schools and Communities Self-Determination Act funds.

Rider Creek Trail is only about 1,100 feet, but prior to this reconstruction, this trail provided unsafe access to the Terwilliger Hot Springs trailhead. This project involved widening and leveling the user-created trail as well as placing a small foot guard to keep hikers away from the trail's edge.

The old user created trail is visible next to the improved, safer trail

- Total Project Cost: \$24,522
- Title II Funding: \$20,250
- Other Funding: Forest Service
- Employed:
 - ✓ Lane County Sheriff's Work Crew
 - ✓ Forest Service Road Crew
 - ✓ Forest Service Trail Crew
